The Souls of Flowers

Mingle in happy union in the exquisite Perfumes we carry. Scents are as difficult to blend into harmony as sounds. It takes almost as high an order of ability to make true Perfumes as is required to write good music.

No wonder so much of the Perfume offered is rank, flat and unsatisfactory. If not wholly pleased with the odors you are now using, we would like to have you try some of the delightful ones we handle. Cost you no more than poorer kinds.
